

Kärleken väntar (Thore)

*Solist: Brinn pengar brinn
Jag lovar du betyder nånting
Du orkar ta dig igenom det här
Du räcker till, så var den du är*

Brinn pengar brinn
Jag vet att du är värd någonting
Du är hoppet i ett IQ-fritt land
Du är drömmarna jag drömmer ibland

**Visst känns det som att
kärleken väntar**

**Visst känns det som att
kärleken väntar**

*Solist: Brinn hjärtat brinn
Du vet du kan förändra allting
Det blåser genom staden i natt
Hör du sanningen,
den lät som ett skratt*

Brinn hjärtat brinn
Vår fiende är rädd om sitt skinn
Det räcker med en gnista ett bloss
Dom skulle vilja vara som oss

**/:Visst känns det som att
kärleken väntar**

**Visst känns det som att
kärleken väntar:/ 3ggr**

Hold on (Thore)

1. Hold on just a little while longer
Hold on just a little while longer
Hold on just a little while longer
**Everything is gonna be alright
Everything is gonna be alright**

2. Sing on...
3. Pray on...
4. Fight on...

Om jag kunde sjunga (Thore)

1. Om jag kunde sjunga, den längtan
som jag har. Alla hjärtats sånger, om dig
och den du var-om dig och den du var.

2. Om jag kunde gråta, när dagen når sitt
slut. Gråta bort all oro, så du får sova ut,
så du får sova ut.

3. Gråta tyst och länge, vakna inte än.
Genom snö och drivor, bär jag dig min
vän-bär jag dig min vän.

4. Gråta fram de blommor, som finns där
under snön. Markens drivor smälter och
isen lämnar sjön, isen lämnar sjön.

5. Om jag kunde viska, så du hörde mig.
Sommarns alla blommor, grät jag fram till
dig-grät jag fram till dig.

6. Jag ska sitta stilla, torka bort en tår.
Smeka dina kinder, lova en ny vår-lova
en ny vår.

Keep on Walking (Ingela)

*Solo: I was aiming for the sky
Ended up flat on the ground
But once again the sun is rising
I better keep on walking,
keep on walking*

*Solo: I have a long road ahead of me
It's cloudy and dark, it's hard to see
Will I ever get through to the end?
Been down this lane
so many times before
And I have told myself
I won't do it no more
Now I'm back on
the same road again*

**II: I was aiming for the sky
Ended up flat on the ground
But once again the sun is rising
I better keep on walking,
keep on walking :II**

*Solo: There's some twists and turns
I got to clear
And when I'm done the end
will soon appear
I can leave all my troubles behind*

**II: I was aiming for the sky
Ended up flat on the ground
But once again the sun is rising
I better keep on walking,
keep on walking :II**

I never stop believin'
I know what I should do
Just let the light guide me through

**II: I was aiming for the sky
Ended up flat on the ground
But once again the sun is rising
I better keep on walking,
keep on walking :II**

Wade/sometimes (Ingela)

Wade in the water
Wade in the water children
Wade in the water
God's gonna trouble the water
Why don't you wade

Sometimes I feel
like a motherless child
Sometimes I feel
like a motherless child
Sometimes I feel
like a motherless child
Long way from home

Ticket to Ride (Ingela)

1. I think I'm gonna be sad
I think it's today, yeah
The girl that's driving me mad
Is going away

She's got a ticket to ride (She's got...)
She's got a ticket to ride (She's got...)
She's got a ticket to ride (...ride....)
But she don't care

2. She said that living with me
Is bringing her down yeah
For she would never be free
When I was around

She's got a ticket to ride (She's got...)
She's got a ticket to ride (She's got...)
She's got a ticket to ride (...ride....)
But she don't care

I don't know why she's ridin' so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice,
She ought to do right by me

3. I think I'm gonna be sad
I think it's today yeah
The girl that's driving me mad
Is going away, yeah

She's got a ticket to ride (She's got...)
She's got a ticket to ride (She's got...)
She's got a ticket to ride (...ride....)
But she don't care

I don't know why she's ridin' so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice,
She ought to do right by me

4. She said that living with me Is bringing
her down, yeah For she would never be
free When I was around

She's got a ticket to ride (She's got...)
She's got a ticket to ride (She's got...)

But she don't care

(Fade out)

My baby don't care, my baby don't care
My baby don't care, my baby don't care
My baby don't care, my baby don't care
My baby don't care, my baby don't care

(kören sätter sig ner där de står)
Timothy Platt & Caroline sjunger:

- *Could you love me one more time*

- *Varför skola människor strida*

- *Oh mary don't you weep (med kören?!)*

Längtan till landet (Carro)

Vintern rasat ut bland våra fjällar,
drivans blommor smälta ned och dö.
Himlen ler i vårens ljusa kvällar,
solen kysser liv i skog och sjö.
Snart är sommarn här i purpurvågor,
guldbelagda, azurskiftande
ligga ängarne i dagens lågor,
och i lunden dansa källorne.

Ja, jag kommer! Hälsen, glada vindar,
ut till landet, ut till fåglarne,
att jag älskar dem, till björk och lindar,
sjö och berg, jag vill dem återse,
se dem än som i min barndoms stunder
följa bäckens dans till klarnad sjö,
trastens sång i furuskogens lunder,
vattenfågelns lek kring fjärd och ö .

Every Breath (Carro)

Every breath you take
every move you make
Every bond you break,
every step you take,
I'll be watching you

Every single da-ay
every word you say
Every game you play,
every night you stay,
I'll be watching you

**Oh, can't you see
you belong to me
How my poor heart aches
with every step you take**

Every move you make,
and every vow you break
Every smile you fake,
every claim you stake,
I'll be watching you

***Since you've gone
I've been lost without a trace
I dream at night,
I can only see your face
I look around but it's
you I can't replace
I feel so cold and I long
for your embrace
I keep crying, "Baby, baby, please"***

**Oh, can't you see you belong to me
How my poor heart aches
with every step you take**

Every move you make,
and every vow you break
Every smile you fake,
every claim you stake,
I'll be watching you

My Turn (Carro)

1. Breathe
In and out
I see clearer now
And I know
Even though I'm scared this time
How could I say no
When everything I feel is right

So (Ooh) tell me baby
Tell me that I'm (Ooh) ready to fly
'Cause (Ah) everything
around me's saying
(Ah) "Smile, you'll be fine"
I ain't gonna miss it
I ain't letting go
It's my turn

(Solo) 2. Time Heart and mind
Are ready to learn Here and now
And I know Even though
I'm scared this time
How could I say no
When everything I feel is right

So (Ooh) tell me baby
Tell me that I'm (Ooh) ready to fly
'Cause (Ah) everything
around me's saying
(Ah) "Smile, you'll be fine"
I ain't gonna miss it
I ain't letting go
It's my turn

I know that I've been hidin'
But I won't anymore
There's nothing that can stop me
I will stand 'till I fall
I ain't gonna miss it
I ain't letting go
It's my turn

Oh oh oh, I cant say no
Oh oh oh, Oh

(solo) Breathe in and out, yeah!

So (Ooh) tell me baby
Tell me that I'm (Ooh) ready to fly
'Cause (Ah) everything
around me's saying
(Ah) "Smile, you'll be fine"
I ain't gonna miss it
I ain't letting go
myyyy tuuuurn noooow!
