

I Wish

Looking back on when I was a little nappy headed boy
Then my only worry was for Christmas what would be my toy
Even though we sometimes would not get a thing
We were happy with the joy the day would bring

Sneaking out the back door to hang out with those hoodlum friends of mine
Greeted at the back door, I thought I told you not to go outside
Tryin' your best to bring the water to your eyes
Thinkin' it might stop her from whippin' your behind

I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
'Cause I love them so

Do do do do do

Brother says he's tellin' 'bout you playin' doctor with that girl
Just don't tell I'll give you anything you want in this whole wide world
Mama gives you money for Sunday school
You trade yours for candy after church is through

Smokin' cigarettes and writing something nasty on the wall
Teacher sends you to the principal's office down the hall, I can't do it
You grow up and learn that kinda thing ain't right
But while you were doin' it, it sure felt out of sight

I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
'Cause I love them so

Do do do do do

Regnet det bara öser ner

Regnet det bara öser ner
och jag är så blöt
om både skor och strumpor,
Du, kanske inte trodde
att det var allvar när jag sa att jag kommer.
Men var är du och var har du våran sol
som jämt skulle lysa på den väg vi vandrar,
Du, ha nån bra förklaring
när nästa gång vi ses och du säger Raring.

//:Var är den eld som du
sa skulle värma under kalla nätter,
här står jag nu och väntar i ett
regn som skvätter!

Regnet det bara öser ner,
men du är väl varm och go
hos någon annan,
Du, ingen märker tåren
Dej vill jag aldrig mera träffa jag lovar ://

men jag är din, jag skall alltid va´ din.

I just wanna dance with you

I don't want to be the kind to hesitate,
Be too shy, wait too late
I don't care what they say other lovers do,
I just want to dance with you.
I gotta feeling that you have a heart like mine,
So let it show, let it shine.
If we have a chance to make one heart of two,
I just want to dance with you.

**I want to dance with you,
twirl you all around the floor
That's what they intended dancin' for,
I just want to dance with you.
I want to dance with you,**

**hold you in my arms once more,
That's what they invented dancin' for,
I just want to dance with you.**

I caught you lookin' at me
when I looked at you,
Yes I did, ain't that true?
You won't get embarrassed
by the things I do,
I just want to dance with you.
Oh the boys are playin' softly
and the girls are too,
So am I and so are you.
If this was a movie, we'd be right on cue,
I just want to dance with you.

**I want to dance with you,
twirl you all around the floor
That's what they intended dancin' for,
I just want to dance with you.
I want to dance with you,
hold you in my arms once more,
That's what they invented dancin' for,
I just want to dance with you.**

Does your mother know

I. You're so hot, teasing me
So you're blue
but I can't take a chance on a chick like you
That's something I couldn't do
There's that look in your eyes
I can read in your face
that your feelings are driving you wild
Ah, but girl you're only a child

**Well I can dance with you honey
If you think it's funny
Does your mother
know that you're out
And I can chat with you baby
Flirt a little maybe
Does your mother
know that you're out**

Take it easy (take it easy)
Better slow down girl
That's no way to go
Does your mother know?
Take it easy (take it easy)
Try to cool it girl
Take it nice and slow
Does your mother know?

2. I can see what you want
But you seem pretty young
to be searching for that kind of fun
So maybe I'm not the one
Now you're so cute, I like your style
And I know what you mean
when you give me a flash of that smile (smile)
But girl you're only a child

**Well I can dance with you honey
If you think it's funny
Does your mother
know that you're out
And I can chat with you baby
Flirt a little maybe
Does your mother
know that you're out**

Take it easy (take it easy)
Better slow down girl
That's no way to go
Does your mother know
Take it easy (take it easy)
Try to cool it girl
Take it nice and slow
Does your mother know

Sailing

1. I am sailing
I am sailing
Home again
'Cross the sea
I am sailing,
Stormy waters
To be near you,
To be free

2. I am flying.
I am flying
Like a bird
'Cross the sky
I am flying.
Passing high clouds
To be with you,
To be free

3. Can you hear me, can you hear me
Through the dark night, far away
I am dying, forever crying
To be with you, who can say

4. I am sailing... o.s.v.
