

STORM

All my life I've wondered why
I keep fighting all the tides
For a million reasons that I find
But I might, I might be all wrong

I've hit highs and I've hit lows
But somewhere down the winding road
It felt like I could lose it all
But I might, I might have been wrong

**A storm like this
Can break a man like this
But when it all calms down
We're still safe and sound**

All my life I've tried to find
The meaning of what's left behind
They say it's life itself but I feel
It might, it might be all wrong

**A storm like this
Can break a man like this
And when it all calms down
We're still safe and sound
A storm like this
Can break a man like this
And when it all calms down
We'll be safe and sound**

DOE'S YOUR MOTHER KNOW

You're so hot, teasing me
So you're blue
but I can't take a chance on a chick like you
That's something I couldn't do
There's that look in your eyes
I can read in your face
that your feelings are driving you wild
Ah, but girl you're only a child

**Well I can dance with you honey
If you think it's funny
Does your mother know that you're out
And I can chat with you baby
Flirt a little maybe
Does your mother know that you're out**

Take it easy (take it easy)
Better slow down girl
(That's no way to go)

Does your mother know?
Take it easy (take it easy)
Try to cool it girl
(Take it nice and slow)
Does your mother know?

I can see what you want
But you seem pretty young
to be searching for that kind of fun
So maybe I'm not the one
Now you're so cute, I like your style
And I know what you mean
when you give me a flash of that smile
But girl you're only a child

Well I can dance with you honey... o.s..v

OSLAGBARA

Oslagbara, Oslagbara

1. Vart tog du vägen åren går
Jag trodde aldrig att vi skulle glömma
Sluta drömma
Och kanske ringer vi ibland
Lika förvånade att alltihop försvann
Lika fort som vi levde då
Vi brann - Vi ville och vann

**Vi var oslagbara
Vi sköt från höften
Vi hade svaret på allt
Alla flickor log
Och vi gav vi tog
Vi gick ut
Och natten skulle aldrig ta slut**

2. Jag går till jobbet, kommer hem
Och jag har skaffat allt som jag behöver,
fina möbler
Jag läser sagor, lagar mat
Och jag är lycklig
och på andra sidan stan
i ett hus lever du likadant
Med kvinna och barn

**Vi var oslagbara
Vi sköt från höften
Vi hade svaret på allt
Alla flickor log
Och vi gav vi tog
Vi gick ut
Och natten skulle aldrig ta slut**

I JUST WANNA DANCE WITH YOU

I don't want to be the kind to hesitate,
Be too shy, wait too late
I don't care what they say other lovers do,
I just want to dance with you.
I gotta feeling that you
have a heart like mine,
So let it show, let it shine.
If we have a chance
to make one heart of two,
I just want to dance with you.

**I want to dance with you,
twirl you all around the floor
That's what they intended dancin' for,
I just want to dance with you.
I want to dance with you,
hold you in my arms once more,
That's what they invented dancin' for,
I just want to dance with you.**

I caught you lookin' at me
when I looked at you,
Yes I did, ain't that true?
You won't get embarrassed
by the things I do,
I just want to dance with you.
Oh the boys are playin' softly
and the girls are too,
So am I and so are you.
If this was a movie, we'd be right on cue,
I just want to dance with you.

**I want to dance with you,
twirl you all around the floor
That's what they intended dancin' for,
I just want to dance with you.
I want to dance with you,
hold you in my arms once more,
That's what they invented dancin' for,
I just want to dance with you.**

I WILL SURVIVE

(solo verser)

Go on now, go, walk out the door

Just turn around now

'Cause you're not welcome anymore

Weren't you the one who tried to

break me with goodbye

Do you think I'd crumble

Did you think I'd lay down and die?

Oh no, not I, I will survive

Oh, as long as I know how to love, I

know I'll stay alive

I've got all my life to live

And I've got all my love to give

and I'll survive

I will survive
